For Visitor

Letter of Commitment

Saitama Medical University International Medical Center
Attn. Dr. Isamu Koyama / Director

I hereby covenant and agree to comply and abide the following while I receive the training and/or practical experience in your hospital.

1. I act according to the direction of your hospital staff during cite visitation.
2. I do not make any unpresentable behavior to the patients and any impeditive acts for the job performance of your hospital staff.
3. I recognize the confidentiality obligation of privacy information and comply with all relevant laws, regulations, rules and policies including Private Information Protection Law and the hospital policies.
4. I keep confidential and do not disclose any information in addition to the privacy information which is/are obtained during my visit to any third party without your prior consent. I give adequate attention to prevent any accidents, leakage or loss of the information.
5. I obey the direction of your hospital staff with regard to the infection-control. I refrain from my cite visitation or relevant activities in any case I feel physically sick.
6. I behave quietly in the hospital facilities.
7. I use cellphone and similar mobile devices at the designated place.
8. I obtain a permission from your hospital staff in prior to taking photograph in the facilities.
9. I handle and deal with disease and/or accident occurred on myself during my visit at my own risk.
10. I undertake the full responsibility for damages and/or loss of the patients, your facilities and/or properties arising from my acts during my visit.
